Subject: Letter of acknowledgement from Derrick Frost, Former BOD member of the NFLPA

As a former NFL player who is one of 9 on the NFLPAs Former Players Board of directors, I have spent the most time and learned the most about the concussion lawsuit from Attorney Craig Mitnick. Not only did he spend numerous occasions with our members, but he attended the NFLPA Convention in Orlando, FL to meet players and educate them in person throughout the entire convention. Although the NFLPA has clearly taken a stance that they will not be helping players with the suit, and even have prevented them from getting educated, Craig had taken it upon himself to help, educate and provide critical information to many of the NFLPA members.
